

2020 has been an unprecedented year, but this did not stop the New Jersey and Delaware Valley HIMSS chapters to quickly pivot to virtualize our annually event.

Join us for the 13th Annual NJDVHIMSS Fall Event on October 21 – 22, 2020 for our first landmark virtual event. Hear our dynamic keynote speakers highlight the advancements of technology, leadership and collaboration that are revolutionizing the healthcare industry. Participate in exciting educational sessions and “dating game” style panels to hear presenters offer insight into the latest trends in healthcare technology. Network with and meet with area vendors whose products are helping shape the future of healthcare, in new virtual environments and Win exciting door prizes

A few key highlights we’ve lined up for this year’s exciting event:

- ◆ Start the day on the Wednesday morning at 8 a.m. with opening remarks by chapter president, followed by our first keynote session; at 12:15 join us for our Security and Protection Now – panel; wrap up the day with our 2nd keynote 4:15 p.m.
- ◆ On Thursday morning will start at 8 a.m.; Our lunchtime keynote starts at Noon and we will finish up with our last panel of “Technology Disruptors” at 4 p.m.
- ◆ Enjoy our Sponsor booths to gain a better understanding of the solutions offered to help solve your Healthcare IT needs. Vendor information and live meetings will be available throughout the event at **10am, 3pm and 5pm** via the sponsor gallery on our event website. Sponsors will provide company information, white papers and links for discussion, and demonstrations and as always great raffles/giveaways as you visit

Sponsors: we are offering event sponsorships and other offerings for sponsors – for more information please reach out to:
