## A Message from the SPC Committee

NJ HIMSS Security, Privacy, and Compliance (SPC) Committee in full force for 2019!

The objective of the NJ HIMSS SPC Committee is to share valuable information on a monthly basis in regard to information security, privacy, and compliance. It is important to note that the information that is shared is not promotional. The committee also submits abstracts to NJ HIMSS events including the annual event in Atlantic City.

The webinars are focused on contributing to the body of knowledge in the SPC field, but to also drive new membership. Through networking and shared event participation, the SPC committee will actively build relationships with identified industry associations with common interests (for example: HFMA, HCCA, ISACA)

All meetings and recordings are listed on the [NJ HIMSS website](#).

If you have interest in joining this committee simply [complete this form](#).

Finally, spread the word to your contacts who may have an interest in participating in NJ HIMSS SPC Committee webinars in 2019.

We look forward to continuing to share valuable SPC information.

Gerry Blass, Ronnie Daldos, and Mike Chirico – co-chairs.

## Academic Scholarship

The New Jersey Chapter of the Healthcare Information and Management Systems Society (NJHIMSS) is pleased to announce the 2019 Academic Scholarship program for undergraduate and graduate college students is back!

Applications will be accepted March 1st, 2019 through May 31st, 2019. Winners and their schools will be notified by July 16, 2019.

## NJHIMSS Membership Committee Survey

We currently have over 1700 members in NJHIMSS. The goal of the Membership Committee is to maintain an actively engaged membership roster; involve a wide constituency in the chapter including clinical, informatics, and students, as well as HIT professionals. Our goal is to continue to grow the chapter membership through local and national events and bring innovative thought leaders into the NJHIMSS roster.

In order to meet the goal of engaging our members and getting more members actively involved, we are asking you to complete a survey. We want to hear from you regarding what you are looking for from your membership with NJHIMSS!
